The image shows a handwriting practice sheet with a grid of 48 rows, numbered 1 to 48. The grid is composed of black dots. The first 44 rows are numbered 1 through 44. The last four rows are numbered 45 through 48. On the left side of the grid, there are green arrows indicating the direction of the stroke for each row. The arrows alternate between pointing right and pointing left, starting with a right-pointing arrow for row 1. The grid is used for practicing the formation of the letter 'A'.
